Education

Tecnólogo, FATEC, Campinas

JANUARY 2019 — DECEMBER 2022

I finished my college in 2022, I had a lot of contact with theory and practice of all stages of software development

Técnico, SENAI SÃO PAULO, Campinas

JANUARY 2017 — DECEMBER 2018

First contact I had with programming and soon I fell in love. It was two excellent years, I had a TCC that used ANDROID (JAVA) and C # to build a webservice.
